Summary Information	Briefing in regards to the measures taken due to Corona virus (COVID-19) pandemic

ADDITIONAL EXPLANATION:

Within the scope of measures taken throughout our country due to the New Corona virus (COVID-19) pandemic experienced globally, Polisan Holding and Group Companies instantly followed the statements of the Ministry of Health and related authorities as of day one, and gradually implemented all necessary measures. The Group has focused on ensuring the continuity of its operations while prioritizing the health of its employees.

Board of Directors of Polisan Kansai Boya - Polisan Holding's JV - decided to carry out the Company's operations within the framework of the short-term working system in order to comply with the legal health requirements and to adapt with the terms of demand arising from the market conditions. An application has been submitted to the relevant authority to benefit from the short-term work allowance. In this context, until a second decision, production has been halted as of 31 March at the production facilities of Polisan Kansai Boya. The Company currently has sufficient inventory to meet the ongoing demand during the period when production is interrupted and continues the shipment through its logistics centers and distributor warehouses across the country.

During this period, Polisan Holding and Group Companies will take precautions regarding health and work safety with the awareness of the responsibilities to all their stakeholders and continue to perform their services within the framework of sustainability.

In case of any change in the aforementioned production decision resulting from developments in the markets, necessary information will be disclosed to the public.

We hereby declare that our above statement is in conformity with the principles included in the Capital Market Board's effective Communiqué on Material Disclosures; exactly reflects the entire information we received on the subject/subjects; the information complies with our records, books and documents; we have endeavored to obtain the correct and complete information relative to this subject, and we are responsible for the declarations made in this regard.
