Summary Information	Media News in Regards to the Environmental Impact Assessment (EIA) Report of Poliport Kimya

**ADDITIONAL EXPLANATION:**

This is an announcement as per the media news and investor questions regarding to a TRY359,075,437 investment expenditure for the installation of 105 new tanks of Poliport, a 100% subsidiary of Polisan Holding.

The aforementioned investment amount is based on the Environmental Impact Assessment (EIA) Report, which analyzes the environmental impacts of a potential capacity increase and submitted to the Ministry of Environment and Urbanization.

As stated in Polisan Holding's 2019 annual report, Poliport realizes its capacity increase investments based on the fill rate of tanks. Having commissioned its capacity increase in the beginning of 2020, raising it to 272,000 m<sup>3</sup> from 237,000 m<sup>3</sup> in 2017, Poliport has not yet clarified the timing and payment schedule for the tank installations mentioned in this report.

Polisan Holding makes public the developments that will affect investors' decision and the EIA Report at <http://eced.csb.gov.tr/ced/jsp/ek1/25861> is attached to this disclosure as requested by the Capital Markets Board.

We hereby declare that our above statement is in conformity with the principles included in the Capital Market Board's effective Communiqué on Material Disclosures; exactly reflects the entire information we received on the subject/subjects; the information complies with our records, books and documents; we have endeavored to obtain the correct and complete information relative to this subject, and we are responsible for the declarations made in this regard.
