**Subject** : Receiving construction permit for Kağıthane – İstanbul project

Polisan Holding announced in its IPO prospectus that its subsidiary POLİSAN YAPI İNŞAAT TAAH. TURZ. SAN. VE TİC. A.Ş. had an agreement with DAP Yapı for a flat for land basis project relating to the land it owns in Kağıthane/İstanbul. The construction permit has been received for this project and that the construction has begun. The Project is for building Offices, whereas there will be 366 independent units in total. The total area is 39,224.49 m<sup>2</sup> and the construction is planned to be completed in 24 months. Within the context of the agreement, Polisan's and Dap Yapı's shares are 42% and 58%, respectively.
