Summary Information	TS EN ISO 50001 Certificate

ADDITIONAL EXPLANATION:

In line with the Responsible Care Commitment Certificate it has been granted in 1997, and the environment certificates received and the policies structured thereafter, Polisan Holding and group companies initiated energy efficiency studies. Having managed all the energy sources it needs with a system approach Since 2010; Polisan Holding has successfully completed TÜV Rheinland's audit and has been granted the TS EN ISO 50001 Certificate, which is an evidence of the system it structured.

We hereby declare that our above statement is in conformity with the principles included in the Capital Market Board's Communiqué, Serial VIII No. 54; exactly reflects the entire information we received on the subject/subjects; the information complies with our records, books and documents; we have endeavored to obtain the correct and complete information relative to this subject, and we are responsible for the declarations made in this regard.
