Summary Information	Update on Potential Sale of Shares

ADDITIONAL EXPLANATION:

Previously, Polisan Holding announced that its shareholders had the intention to sell a portion of their shares on Bourse Istanbul to diverse international and local investors to increase liquidity of the stock and broaden the investor base of the Company and that increase the float from 8.43% to 25%. Accordingly, on its announcement dated August 3, 2018, the Company informed the public that selling shareholders have initiated studies to be able to make a portion of their non-floating shares, to make public.

In this context, as a result of the share sales, the float increased to 12.30%. The process continues taking into consideration the market conditions.
